Dear Supporter,

Centre Support

Wirral LA21 Network is a charity working to educate the public about the environment and towards sustainable lifestyles. **Centre Support** is our scheme for giving continuing support to our centre in Wallasey, where we can co-ordinate the activities of Wirral LA21 Network and its various projects.

Centre Support operates through a monthly draw of Supporter Numbers, and money received (based on the contributions for each month), is divided 50/50 between funds for the Centre and prize money. There are three prizes - 30%, 15%, and 5% of the fund money for each month. You may purchase as many Supporter Numbers as you wish, at a price of £1 each number per month. Payments may be made either by Standing Order (monthly or annually), or cash or cheque (annually in advance). Simply complete and return the Standing Order mandate below, or send your cheque, and you will be allocated a Supporter Number for each pound of your monthly contribution. After verification, your Supporter Number(s) will be entered into the next draw.

We make the draw each month. After verification, winners are notified personally, and a list of winners is published in our newsletter Wirral Evergreen. **Please join us in this practical Green support.** We look forward to welcoming you as a **Centre Supporter**.
