

WIRRAL FAIRTRADE DIRECTORY ISSUE 5 – FEBRUARY 2012

The outlets listed below are suppliers of Fairtrade goods and services to the best of our knowledge and belief. If you can add any others, please let us know at Wirral Environmental Network, 0151 639 2121 or email pam@la21.net. On the other hand, if you find that Fairtrade is not available also advise us and their name will be removed.
